Scope of Volumes 4B and 4C

Index:

Index to the General Statutes of North Carolina as contained in recompiled volumes 1A through 2A, replacement volumes 2B through 3B, recompiled volume 3C and 1959 supplements thereto; also index to the Constitution of North Carolina, the Constitution of the United States and the Appendix appearing in recompiled volume 4A and 1959 cumulative supplement. The index covering later supplements to such recompiled and replacement volumes is contained in the pocket parts to replacement volumes 4B and 4C.

Preface

Volume 4 of the General Statutes of North Carolina of 1943 was replaced in 1955 by recompiled volumes 4A and 4B. Volume 4B contained the index, while the other parts of original volume 4 appear in volume 4A. In addition, the Constitution of North Carolina and the Constitution of the United States, appearing under Division I in original volume 1, have been transferred to Division XIX-A in recompiled volume 4A.

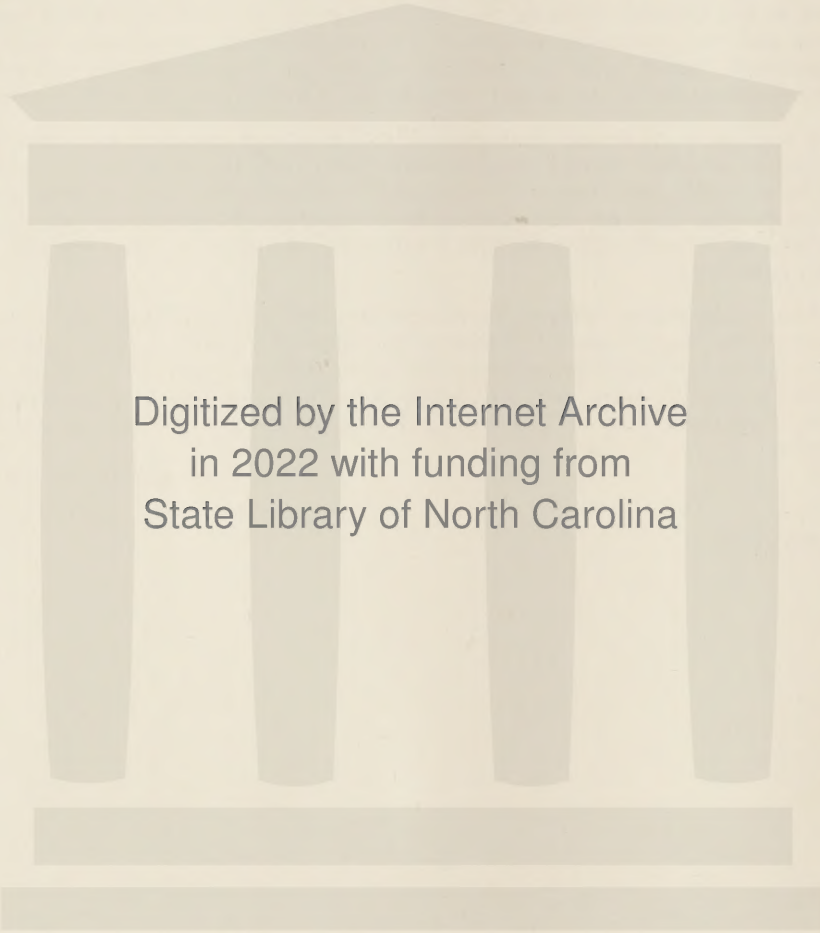

Present volumes 4B and 4C replace recompiled volume 4B and contain the index to the General Statutes, the constitutions of North Carolina and the United States and the Appendix, as contained in recompiled or replacement volumes and supplements issued prior to 1961. No distinction is made in the index between sections appearing in the bound volumes and those appearing in the pocket parts.

In making a reference from one index heading to another, or from one subheading to another, section numbers have been included wherever practical. Such numbers usually are those of the sections containing the main, general treatment of the subject and are not necessarily exhaustive. The searcher should consult the heading or subheading to which reference is made, for the complete and detailed indexing.

These replacement volumes have been prepared and published under the supervision of the Department of Justice of the State of North Carolina. The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes, and any suggestions they may have for improving them, to the Department, or to The Michie Company, Law Publishers, Charlottesville, Virginia.

THOMAS WADE BRUTON,
Attorney General.
